

curso INTENSIVO PROFESIONAL

Accredited in many states! APPLY NOW

Recruiters are asking for more languages nowadays. Enroll in an intensive Spanish course in the centre of Seville. One week courses with at least 6 lessons a day with a practical and multicultural approach. Leisure activities are included to gain a better approach to the Spanish language and culture. Furthermore, a team who speaks your language will be in charge of arranging your stay to make the trip run as smooth as possible. Courses are available at different levels. Once the course is finished, you will have the chance of getting an official certificate to verify your level of Spanish by taking a TELC test carried out at our school.
