WHAT IS ERASMUS+?

Erasmus + is a program of the European Parliament which aims to improve qualifications and employability, to modernize education, training and youth work.

Erasmus+

The program encourages collaborations and partnerships between institutions and educational organizations destined to promote cooperation between the world of education and the world of work.

ERASMUS+ OFFERS THE FOLLOWING ADVANTAGES FOR YOUR EDUCATION INSTITUTION:

- Improve your teachers' teaching methods.
- Widen your students' horizons.
- Offer mobility to your centre staff.
- Increase the general level of the educational centre.
- Create a network of contacts with other European countries.
- Facilitate students' professional practices.
