The long duration Spanish course is designed for students who wish to reside in Spain for various months with the objective to continue studying other university courses or post graduate, or to continue working in Spain. Also, this course will include students who wish to obtain a higher level of Spanish and later certify that level officially through a Cervantes Institute exam, in our own school.

The course offers 20 sessions of 55 minutes each week, for 5 days Monday to Friday. It is especially recommended to guarantee the success in the access to university studies.
