# THE BEST **SUMMER** OF YOUR LIFE

**Would you like to spend the summer in a foreign country learning a new language or improving your Spanish?**

Carlos V Language School offers a Summer Immersion **Program for young students in July and August in Seville, Madrid or Malaga**, with Spanish classes and a fun filled agenda of activities and cultural visits. Unforgettable weeks in which students, like you, from different backgrounds, will be able to enjoy, learn Spanish and make the most of their holidays.

You will be able to take a quality Spanish course in our school in Seville, where we are a Accredited

Center by Cervantes Institute, Malaga and Madrid.

**Do not worry about accommodation and food, this program includes housing full board, Spanish classes and cultural and leisures activities, under the complete supervision of our team.**

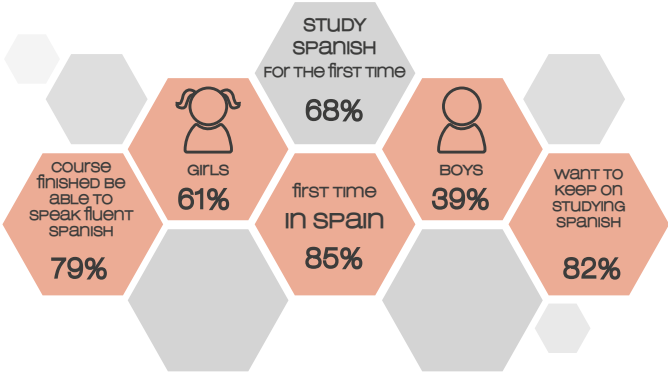

Also, you can choose how to combine your stay in Spain, by choosing the weeks. For instance, you could chose to do two full weeks in Seville, or one week in Madrid and another in Malaga... **We adapt to you!** You can learn Spanish with Carlos V Language School in several cities of Spain.

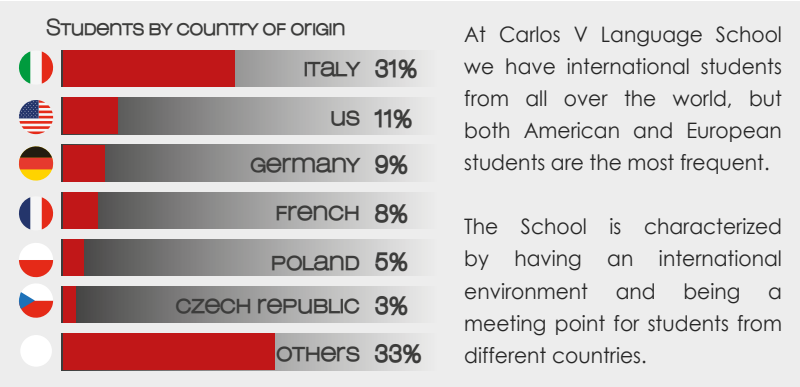

# STUDENTS

The program is designed for **international students** who wish to spend their holidays in Spain to improve their level of Spanish to take it up from scratch.

Throughout this course not only will students learn grammar and vocabulary, but also develop their language skills, as the teaching is focused on communication. A communicative and interactive approach that will keep them from ever getting bored.

If you want to spend the whole summer in our country, you have the opportunity to spend a week in a different city, and thereby discovering much of the geography of this place.

In Seville, our school is an Accredited Center by Cervantes Institute. In Malaga, "Olé Olé Spanish School" belonging to Escuela de Idiomas Carlos V offers this accreditation. In Madrid, thanks to the alliance accomplished with Linguae, we can also offer the warranty of this accreditation, so wherever you go, you are sure that you are learning Spanish at an accredited and qualified institution.

**Dozens of options to combine. Make it your own, according to your needs**

The options for accommodation offered are varied. You can decide whether to live in a house with a Spanish family or in a student residence.

We host both student groups and high schools, as well as students who elect to come to Spain individually and adapt the program to their needs.

# SEVILLE

Seville is a special  
city because of  
its people, beauty  
of streets and its  
monuments

The image shows the Giralda tower in Seville, Spain, a tall, ornate structure with multiple levels of arches and a statue on top. The tower is made of light-colored stone and has a complex, multi-tiered design. The sky is a clear, bright blue. The tower is the central focus of the image, with its intricate details clearly visible. The statue on top is a small, dark figure, likely the Giraldo. The tower's architecture is a mix of different styles, including Gothic and Moorish. The overall impression is one of a well-preserved, historic monument.

# THE CITY

Seville is a charming, beautiful, cozy, clean and friendly city. Spending a summer in Seville is an experience full of colors, art and music. Walking around parks, streets and the most emblematic places is to go into the history of Spain because Seville is one of the most historic cities in Spain.

Inscribed by UNESCO, Seville has wonderful weather, more than 300 sunny days a year and an average temperature of 18°C / 64.4°F.

Seville has an endless list of impressive monuments, such the Spanish Square, the Cathedral and the Giralda, parks and events that are waiting to be discovered by you. It is also a more affordable tourist destination than other than other Spanish cities.

The activities you do will not only help you learn Spanish, but also to introduce you to the culture and get to know this wonderful

La Giralda is the best known monument of the city of Seville, also the most photographed. La Giralda is a tower that mixes different architectural styles. On its upper part there is a small bronze statue, el Giralillo, which gives name to all the building. It has a height of 94 m /308 ft. Take a photo of yourself by La Giralda!

city. You will discover that Seville is a city full of history, the site where the first journey around the world took place. It all started in the Guadalquivir river where you can walk by and sail on.

Seville also has a great offer of leisure activities. You can go shopping at some of the fanciest shops and go out to crowded and lively places. Sitting down in a bar or café with your classmates to have a drink while chatting and sharing some typical dishes is all part of the experience.

Carlos V Language School is a language center and accredited by the Cervantes Institute with more than 7 years of experience in teaching Spanish as a foreign language. The school follows the teaching methods recommended

by Cervantes Institute. In addition, our school passes annual controls to maintain Cervantes' certification.

Carlos V Language School is located just a 5 minute walk away from the center of Seville and is next to the most emblematic neighborhood of the city: Triana. The school is very well connected thanks to its busses, subways and bike lanes. There are a large number of shops, businesses, bars, restaurants, supermarkets and gyms nearby the school.

Our team, made up of multilingual professionals are here to help you so have no fear if this is your first time away from home. You can communicate with us at any time in your language.

**THE TORRE DEL ORO IS LOCATED ON THE EDGE OF GUADALQUIVIR RIVER. IT IS ONE OF THE MOST EMBLEMATIC MONUMENTS OF SEVILLE AND YOU WILL VISIT IT**

With us, in addition to Spanish classes, you can do outdoor activities and visit in the afternoon. The sun, the heat and the good summer weather in Seville will make you enjoy the day with many activities

Apart from the Spanish classes, **you can do outdoor activities and visits in the afternoon.** The warm sunshine of Seville will allow you to enjoy your activities.

**Our students, in addition to Seville, will be able to enjoy the beach of Cádiz and learn about the Muslim history of Córdoba and see its imposing Mosque**

**Thanks to the nice weather in Spain during the summer, you will visit places and discover new cities on weekends.** The students in the Seville Spanish Program will visit such nice places as Cadiz and Cordoba.

Our students, apart from Seville, **will be able find out all about the Muslim history of Cordoba** and marvel at its imposing mosque. A wonderful and very well preserved ancient relic.

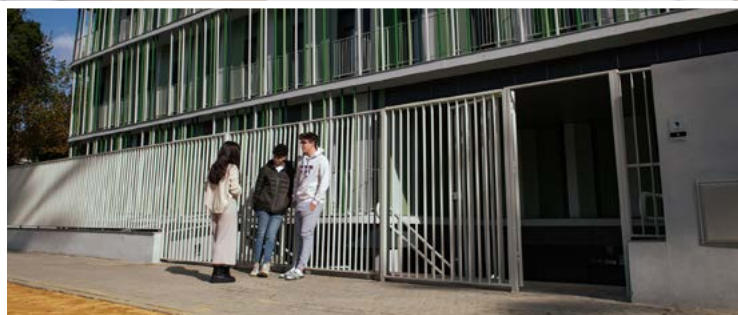

Our students will **enjoy the beach of Cadiz** and its typical dishes and see the places where carnival is celebrated in Cádiz: the Gran Teatro Falla, the Plaza de las Flores and stroll through its coastal streets with its salty breeze.

**In Seville, we will also visit the most emblematic places of the city, such as the Real Alcázar, the Cathedral, and Plaza de España.** Can you cook a Spanish omelet? Can you dance flamenco? Well, we will also have Spanish dancing and cooking workshops, so that students absorb our traditions and can complement their Spanish language classes.

Our students will also have physical and leisure activities to relax and unwind.

**Carlos V Language School offers a complete program designed so that students make the most of their vacation.** They can live out a new experience in a foreign country, meet friends from all over the world, immerse themselves in a completely different culture, take workshops, visit cultural places and, above all, learn or improve their Spanish.

**A complete program designed to enjoy a different summer meeting people of different nationalities, in a foreign country**

## ACCOMODATION

At the Carlos V Language School we offer a wide variety of accommodations to fit your needs.

Students can live with a host family offering them the unique experience of being completely immersed in the Spanish way of life. This option is a great way to practice language in a familiar and comfortable environment.

Our professional team chooses and checks the household conditions, and makes sure the families are ideal for our students.

The houses are checked on the spot and bedrooms, bathrooms and other parts of the house must meet the required and expected standards.

Our families have been hosting our students for some time and we have created bonds of friendship which assures us that the student will feel secure in an environment full of trust, safety and warmth.

Families hosting students also are vetted to ensure that the student will be in good hands during their stay. All families live nearby the school, therefore, our students can easily walk there and back.

Our students can opt for a double or single room. Likewise, half board or full board can also be chosen. Host family accommodation includes cleaning and laundry.

Student housing is also available. Our student housing has all the modern comforts for students: high-speed wifi, room cleaning, laundry room, recreation room, patio, rooftop, dining room and so much more.

This is the perfect environment to socialize and meet other students from other parts of the world and create a wide network of friends, to share and broaden our vision of the world.

Like the rest of accommodations that Carlos Language School V offers, student housing is located where the transportation network is quickly and easily accessible.

# THE BEST **SUMMER** OF YOUR LIFE

Our students are going to have an experience that they will remember for the rest of their lives. They create bonds of friendship with students from all over the world that will maintain over the years, using Spanish as a language of communication.

# THE CITY

Malaga is the capital of the Costa del Sol. Its weather is sunny during most days of the year and its yellow sand beaches welcome you.

Despite being a modern city, Malaga has many historical areas that will captivate you for sure. The sea breeze, the murmur of the people in the streets, the river, the sun, will make you remember this Spanish Program as one of the best experiences of your life.

If the beach is not your thing, in Malaga you can also enjoy the mountains. Moreover, Malaga is a city that offers typical Andalusian gastronomy and you can taste some of its most famous dishes.

The Cathedral of Malaga is a really interesting building, it is known as "La Manquilla" because one of its two towers is not finished, and it will not finish any longer. It is a Renaissance jewel. The narrow streets of the center of Malaga, full of flowers, will make you go back to the past

The beaches of Malaga are brilliant and invite you to swim and enjoy the wonderful water temperature. The bars and restaurants by the sea will make your summer evenings very pleasant

Malaga is a city full of culture, museums, theaters, cinemas and open-air concerts which you can enjoy in your free time. Palm trees, blue sky its landscape will make you remember this experience the rest of your life. It is going to be a great summer. Get your camera ready as you will not want to miss a moment.

Spain is a very safe country with a vibrant nightlife that goes on till the late hours, and one of quiet walks that entire families and friends enjoy together on the weekends.

# WE ARE A ACCREDITED CENTER BY THE CERVANTES INSTITUTE

The Cervantes Institute was created in 1991 to promote and spread the Spanish and Latin American language and culture. The network of accredited schools is present in 90 cities, in 43 different countries, on 5 continents. Our quality has been expressly certified by the Cervantes Institute.

In Seville, Carlos V Language School is an Accredited Center by the Cervantes Institute.

In Malaga, Olé Olé Spanish School, is an Accredited Center by the Cervantes Institute.

In Madrid, Academia Paraninfo, is an Accredited Center by the Cervantes Institute.

This certificate verifies that our center has passed very specific controls and also guarantees institutional superior quality and, of course, continuous improvement.

## Why choose an Accredited Center BY THE Cervantes Institute?

The Cervantes Institute accreditation guarantees that our school:

- Complies with the legal and quality requirements demanded by the Cervantes Institute for the teaching of Spanish as foreign language.
- Carries out rigorous and true advertising and marketing with respect to the offer made.
- Has a lesson plan that facilitates the progress of our students.
- Offers clear information on course prices, conditions and complementary services.
- Has appropriate resources for teaching.

Cervantes Institute carries out inspections every 2 years to renew accreditations.

# THE COURSE

The Spanish Program is designed for young students who are looking to experience a summer full of adventures while at the same time learning a new language.

## COMPLETEIMMERSION

Language immersion has many benefits for the student such as:

- Promotes personal growth and autonomy
- Enhances security and self-esteem
- Increases the desire to learn and continue studying the language
- Helps students overcome their fears of living away from home, in another country and speaking a different language
- Increases communication and social skills
- Meet students from different parts of the world and create bonds of friendship

The full language immersion at the Carlos V Language School in Seville, Malaga and Madrid welcomes their students on Monday so that they will not miss any activity.

During the week, the student will have 4 hours of Spanish classes per day, adjusted to their levels. The classes are based on a communicative approach, teaching grammar and vocabulary, and developing the four language skills: reading comprehension, listening comprehension, written expression and oral expression. As an Accredited Center by the Cervantes Institute, Carlos V Language School follows its guidelines in the teaching of Spanish as a foreign language.

Outside of class, students will have the opportunity to visit most important sites in the city where they reside.

We do not forget that the practical part of learning Spanish is the most important. For this reason, Carlos V Language School offers cooking and dance workshops for students to immerse themselves in full Spanish culture and can learn through these highly communicative workshops.

# OFFICIAL CERTIFICATION

The program allows you to take a final exam to certify your level.

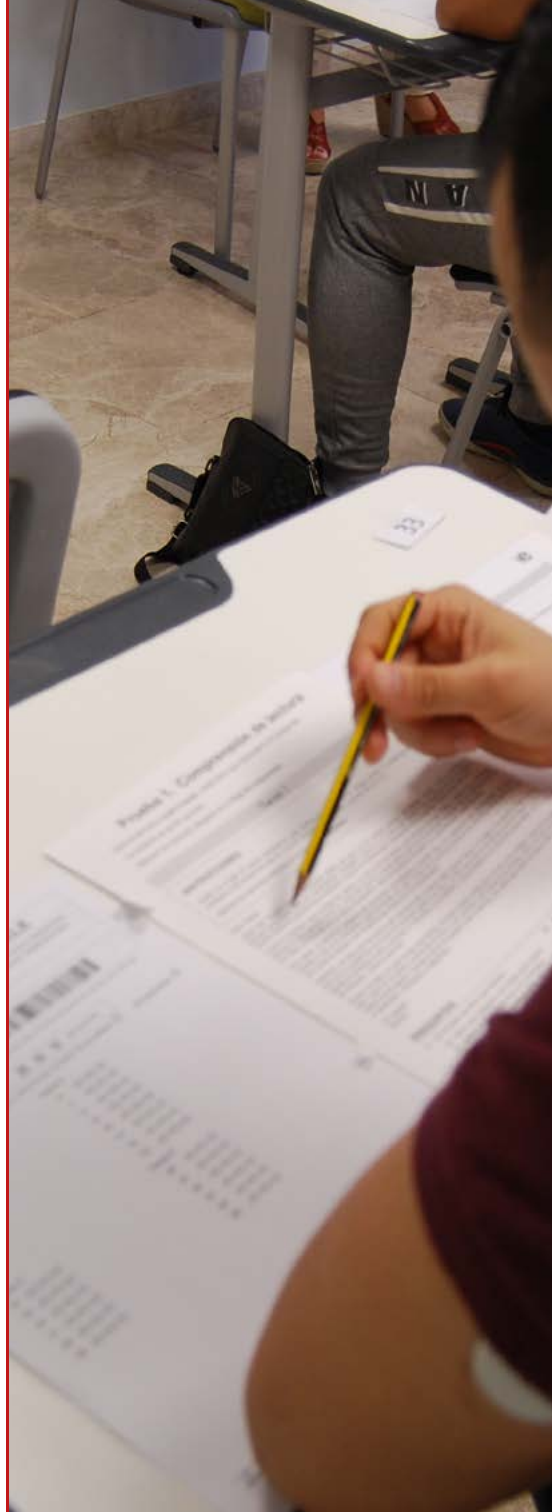

At the end of the Summer Program, will have the opportunity to take an exam to check their Spanish language level.

The SIELE exam is an exam in which one does not fail as it is used to assess your language level, which can always be improved in the future.

This exam is recognized by many international organizations, as well as the Cervantes Institute, the National Autonomous University of Mexico, the University of Salamanca and the University of Buenos Aires.

The SIELE report is valid for five years and includes the score obtained in the test and its correspondence with the levels of the Common European Framework of Reference for Languages: Learning, Teaching, Assessment (CEFR).
